

## Applicant Initiated Interview Request Form

Application No.: 10/729,841 First Named Applicant: Mohammed Samji  
Examiner: Anh Ly Art Unit: 2162 Status of Application: Non-Final Rejection

### Tentative Participants:

(1) John S. Golian (2) Robert O'Loughlin  
(3) \_\_\_\_\_ (4) \_\_\_\_\_

Proposed Date of Interview: 6/11/2008 Proposed Time: 11:00 AM ED(AM/PM)

### Type of Interview Requested:

(1) ☒ Telephonic (2) ☐ Personal (3) ☐ Video Conference

Exhibit To Be Shown or Demonstrated: ☐ YES ☒ NO

If yes, provide brief description: \_\_\_\_\_

## Issues To Be Discussed

Issues (Rej., Obj., etc)	Claims/ Fig. #s	Prior Art	Discussed	Agreed	Not Agreed
(1) <u>103 Rej.</u>	<u>79, 91 103</u>	<u>Huang, Vincent</u>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(2) _____	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(3) _____	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
(4) _____	_____	_____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

☐ Continuation Sheet Attached

### Brief Description of Arguments to be Presented:

Applicants' representative requests an interview to discuss differences between the cited art of record and the invention as recited in proposed claim amendments (see attached).

An interview was conducted on the above-identified application on \_\_\_\_\_.

**NOTE:** This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.

This collection of information is required by 37 CFR 1.133. The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to process) an application. Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.11 and 1.14. This collection is estimated to take 21 minutes to complete, including gathering, preparing, and submitting the completed application form to the USPTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

If you need assistance in completing the form, call 1-800-PTO-9199 and select option 2.

## Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.

79. A method of sharing virtual folder items stored in a file system of an operating system, the method comprising:

storing a plurality of items in a file system of an operating system located on a user's computing device;

storing in the operating system one or more values corresponding to operating system properties for each of the plurality of items stored in the file system;

displaying via the operating system a data object corresponding to a virtual folder comprising one or more of the items stored in the file system, wherein the virtual folder comprises a location-independent view of said one or more items;

receiving via the operating system a user request to share one or more of the items in the virtual folder with one or more sharees, wherein sharing the one or more items comprises allowing direct access to the user's computing device on which the one or more items are stored; and

setting permissions on the one or more shared virtual folder items to provide the one or more sharees direct access to said shared virtual folder items stored in a file system on the user's computing device, wherein setting permissions comprises setting an operating system permission property on each of the one or more shared virtual folder items.

91. One or more computer readable media storing computer-executable instructions which, when executed on a ~~computer system~~ user's computing device comprising an operating system, perform a method of sharing virtual folder items stored in a file system of the operating system, the method comprising:

storing a plurality of items in a file system of an operating system located on a user's computing device;

storing in the operating system one or more values corresponding to operating system properties for each of the plurality of items stored in the file system;

creating via the operating system a data object corresponding to a virtual folder comprising one or more of the items stored in the file system, wherein the virtual folder comprises a location-independent view of said one or more items, and further wherein the location-independent view is based on metadata associated with the one or more items;

displaying via the operating system a the data object corresponding to a the virtual folder comprising one or more of the items stored in the file system, wherein said virtual folder is navigable according to one or more arbitrary parameters independent of said file system;

receiving via the operating system a user request to share one or more of the items in the virtual folder with one or more sharees, wherein sharing the one or more items comprises allowing direct access to the user's computing device on which the one or more items are stored; and

setting permissions on the one or more shared virtual folder items to provide the one or more sharees direct access to said shared virtual folder items stored on the user's computing device, wherein setting permissions comprises setting an operating system permission property on each of the one or more shared virtual folder items.

103. A method of sharing virtual folder items stored in a file system of an operating system, the method comprising:

storing a plurality of items in a file system of an operating system located on a user's computing device;

identifying a virtual folder comprising one or more of the items stored in the file system, wherein the virtual folder comprises a location-independent view of said one or more items;

receiving at the operating system a request to share one or more of the items in the virtual folder with one or more sharees; and

in response to the sharing request, setting by the operating system user-access permissions on the one or more shared virtual folder items in the file system, the user-access permissions designating permission levels for the one or more sharees on the one or more shared virtual folder items.
